Dear Sorin,

We look forward to a long and fruitful relationship. We are happy to be part of your Art for Charity program and look forward to many years of successful fundraising together.

To date, the Foundation has helped over 4,000 incredibly deserving children through 20 programs in ten countries: Mexico, Costa Rica, Panama, Colombia, Bolivia, Chile, Brazil, Dominican Republic, Haiti and Ethiopia. It is only through your support that we can make such a significant difference in these young children's lives.

Best Personal Regards,
